

GEORGIA'S DAIRY INDUSTRY

Georgia is home to 89 dairy farms and approx. 92,000 dairy cows 

Each Georgia dairy cow has an economic impact of \$12,666 

Georgia's dairy industry contributes close to \$2.5 billion to the state economy each year

In 2022, Georgia dairy farms produced 2.02 billion lbs. or 235 million gallons of milk 

 In 2022, Georgia became the #1 milk producing state in the Southeast and 21st nationally

Using 2021 Farm Gate Value, the top milk producing GA counties are:

- | | |
|-----------|-----------|
| 1. Macon | 4. Sumter |
| 2. Burke | 5. Morgan |
| 3. Brooks | 6. Putnam |

GEORGIA MILK PRODUCERS, INC.

Georgia Milk Producers serves as an advocate promoting Georgia's dairy industry and educating producers and the public to help build a stronger, viable industry.

About GMP

GMP is a producer-funded, producer-focused organization. Georgia's dairy farmers vote by referendum every three years to maintain its operation. Producers pay a one-cent per hundredweight assessment enabling GMP to operate communication, promotion, and education programs

Our Activities

Georgia Dairy Conference

- Represents dairymen at state and federal policy meetings
- Attends promotional events on behalf of industry

- Hosts annual Georgia Dairy Conference in Savannah
- Organizes Georgia Dairy Manager Series
- Sponsors industry workshops & youth organizations
- Work hand-in-hand with regulatory agencies to ensure safe, sustainable dairy industry for future
