The mission of Georgia Milk Producers is to support, sustain and grow the Georgia dairy industry. GMP serves as an advocate promoting Georgia's dairy industry and educating producers and the public to help build a stronger, viable industry. By partnering with us in membership, you are supporting the future of Georgia's dairy industry.

Memberships will run from March 1, 2025 until February 28th, 2026. For more information on becoming an associate member, please contact bryce@gamilk or scan the QR code.
